This is the life

Introducing the Peninsular Club

Every night you spend on board with us; every night of dining, laughter, music and easeful sleep, you are doing something else too. You are earning points to increase the rewards you enjoy next time you holiday with us. (Brownie points, as we like to think of them.)

The tiers

The club has six tiers, named after the oceans and seas sailed by our ships. The tiers are arranged in order of size, with the smallest sea, the Ligurian, being the name of our most exclusive tier.

Pacific:	150 – 500 points
Atlantic:	501 – 1000 points
Mediterranean:	1001 – 2000 points
Caribbean:	2001 - 2500 points
Baltic tier:	2501+ points & 80 nights
Ligurian tier:	2501+ points & 201 nights

Here's how it works

For each night you spend on board, we award you 10 loyalty points. Once you have spent at least 15 nights on board (150 points), you automatically become a member of the Peninsular Club. So, after 15 nights and 150 points, you enter the Pacific Tier. Loyalty points are only awarded once you have completed a cruise. So, you'll enjoy the benefits of membership when you join us for your next cruise.

As the number of nights you spend on board with us increases over subsequent holidays so, too, does your tier status. Each time you complete a cruise that takes you to the next tier, you'll enjoy the new level of benefits when you take your next cruise.

Achieving Baltic and Ligurian Status

The Baltic and Ligurian Tiers reward our most loyal guests – the people who travel most frequently and spend the most nights with us.

Baltic tier: You will have at least 2501 points and would have spent 80 to 200 nights on board within the 3 years preceding the start of your next cruise. If you don't manage to spend at least 80 nights with us, you'll simply move to the Caribbean Tier and continue to enjoy a whole host of loyalty benefits.

Ligurian tier: You will have at least 2501 points and would have spent at least 201 or more nights on board within the 3 years preceding the start of your next cruise. If you don't manage to spend at least 201 nights with us, you'll simply move to the Baltic Tier and continue to enjoy a wealth of loyalty benefits.

How we work it out

For example, if you have 2501 points and a future cruise departing on 1 December 2022. We will add up the number of nights you have completed on board a P&O Cruises ship between 1 December 2019 and 1 December 2022. If your total is less than 80 nights on board in this time period, you will receive Caribbean Tier benefits during your cruise. If your total is between 80-200 nights, you will receive Baltic Tier benefits. And if your total is 201 nights or more, you will receive Ligurian benefits.

Now, read on to discover the special treats and treatment your loyalty to P&O Cruises will earn you on board and ashore.

Any further questions?

- How can I check my current tier?** Log into My Account on our website or on Cruise Personaliser at www.pocruses.com/myaccount.
- When will my points be awarded?** Loyalty points are awarded when you have completed a cruise. Once you have spent at least 15 nights on board (150 points), you automatically become a member and enter at the Pacific Tier. When you join us for your next cruise, you will be entitled to Pacific Tier benefits. As points are awarded at the end of a cruise, you cannot move up a tier mid-cruise. Instead, you will enjoy the additional benefits when you join us for your next cruise.
- How can I find out if I am a Baltic or Ligurian member?** Do you have 2501 points or over? If so, then you're partly qualified. To qualify for the Baltic Tier, you'll also need to have spent at least 80-200 nights on board in the 3 years preceding your next cruise. To enter the Ligurian Tier, you will have to have spent at least 201 nights on board in the 3 years preceding your next cruise. The 3 year period is taken from the embarkation date of your next cruise.
- I am currently a Baltic/Ligurian member; will I still be a member on my next cruise?** To continue to enjoy Baltic or Ligurian privileges, in the 3 years prior to the departure date of your next cruise, you must have spent at least 80 nights on board for Baltic, and at least 201 for Ligurian.
- How do I get a quote for the P&O Cruises travel insurance with my 10% discount?** See the Travel Insurance section of the P&O Cruises brochure. Or, for more information call 0800 316 3061, quoting reference WC668, along with your membership number.
- Does Peninsular Club membership apply to children?** Yes. 16-18 year olds are entitled to the same benefits as adults, with the exception of alcohol being substituted by a non-alcoholic alternative. Children aged 17 and under will receive a gift designed specifically for their age group. They will also receive the on-board discount appropriate to their tier level. Your child's on-board discount is not transferable to your account.
- Will I get points for travelling with P&O Cruises sister brands?** No. Points can only be awarded to members travelling on board a P&O Cruises ship.
- If I purchase my shore excursions pre-cruise, will my on-board spend discount still be applied?** Yes. Purchase shore excursions prior to the start of your cruise, and the applicable on-board spend discount will reflect the tier that you are predicted to be in on the date of embarkation, not on the date of purchase. The discount on shore excursions that are paid for pre-cruise is not dependent on your spending of allocated non-refundable on-board credit. For a World Cruise, purchase shore excursions prior to the start of your cruise, and the applicable on-board spend discount will reflect the tier that you are predicted to be in at the start of the segment in which the activity is taken, and not the date of embarkation.

World Cruise information

The Peninsular Club works on a simple 'one cruise = one tier' policy. However we recognise that a World Cruise is over several months, so we do things a little differently. You embark your cruise on your current tier and, during each segment of your World Cruise, if you collect the appropriate amount of points/nights to take you to the next tier, this will happen at the beginning of that next segment, and your additional benefits will be applied from that point.

If you are on board and have any questions about this, please talk to your Loyalty and Cruise Sales manager. If you are at home, please contact our Loyalty team at loyalty@pocruses.com

Please note that, due to the number of eligible guests on a World Cruise or segment of a World Cruise it is unfortunately not possible to offer embarkation and disembarkation benefits at Southampton.

Understanding your on-board spend discount

Your on-board spend discount will be applied to purchases after any allocated, non-refundable on-board credit (on-board spending money) has been spent.

This is how it works:

On-board spend £1000
Less on-board credit of £100 = £900
Caribbean discount of 10% = £90
Amount to be paid = £810

What's not eligible for on-board spend discount?

Discounts do not apply to the following Little Luxuries products: Weddings at Sea, Renewal of Vows, Welcome on board and Bon Voyage packages, gift credits, internet packages and any pre-paid items. On-board spend discounts do not apply to medical services and products, visa arrangements, gratuities, casino (including bingo), art sales, flight seat bookings, pre-paid items, any purchases during inaugural events, or when a P&O Cruises ship is chartered, except as decided by P&O Cruises from time to time.

Terms and conditions of membership

These terms and conditions apply to your membership of the P&O Cruises Peninsular Club and your collection and use of points earned as a member of the P&O Cruises Peninsular Club.

1. Definitions

"P&O Cruises ship" means the cruise vessels in the P&O Cruises UK fleet only and for the avoidance of doubt excludes all P&O Cruises Australia vessels, "segment" means in relation to a world cruise the journey between two specified ports as chosen by P&O Cruises from time to time, "you" means the guest; and "we" or "us" means Carnival plc trading as P&O Cruises.

2. Membership

2.1. You will automatically become a member of the P&O Cruises Peninsular Club after you have earned 150 points by completing 15 nights on board a cruise or cruise on which you are entitled to earn points. Points are awarded to members following completion of each cruise holiday.

2.2. You will be awarded points for each night you spend on board a P&O Cruises ship according to the points system shown in paragraph 3.2.

2.3. If you were a member of The Portunus Club your pre-existing points balance will be transferred to P&O Cruises Peninsular Club with effect from 1 April 2012. You will need to have a minimum of 150 points in order to become a member of the P&O Cruises Peninsular Club. If you think your balance is incorrect, then it is your responsibility to notify us in order that we may investigate. Please note that Portunus Club points were only awarded for cruise holidays taken from 1 September 2003 and therefore Peninsular Club points will not be available in respect of cruises taken prior to that date.

2.4. Membership is only available to individuals and not to groups or companies.

2.5. Membership of the P&O Cruises Peninsular Club is subject to these terms and conditions. If you do not wish to be a member of the P&O Cruises Peninsular Club or do not accept these terms and conditions, you must cancel your membership immediately by contacting us in writing at the address in paragraph 6.1.

2.6. We may cancel your membership and withdraw all unused benefits if you do not comply with these terms and conditions.

2.7. Your membership account must be held in your full name as it appears in your passport.

2.8. P&O Cruises guests are not guaranteed entry to P&O Cruises Peninsular Club; we may refuse or withdraw membership at any time without giving our reasons.

2.9. P&O Cruises may cancel your membership and delete your account (including all points, benefits and account history) if your account remains inactive for a period of 7 years. For this purpose "inactive" means that you have not booked or travelled on a P&O Cruises holiday.

3. Points

3.1. As a member of the P&O Cruises Peninsular Club you will earn points when you go on a P&O Cruises holiday which you have booked with us, subject to any of the exclusions below.

3.2. You will earn points as follows:

Loyalty points per night spent on board any of the P&O Cruises ships - 10 points per night.

3.3. Points accrue on completion of the cruise holiday on which they were earned (except on world cruises, where they accrue at the end of each segment) and will be credited to your account upon your return home.

3.4. You will not earn points or nights:

3.4.1. in respect of any nights spent travelling or in a hotel, for example as part of a fly-cruise holiday or land tour;

3.4.2. in respect of any nights you would have spent on a P&O Cruises ship but for the cancellation or curtailment of that cruise, for whatever reason;

3.4.3. in respect of nights spent by other members of your party or family (whether or not they are members), or for unused berths in your cabin (even if you have paid for them);

3.4.4. in respect of complimentary nights spent on a P&O Cruises ship for inaugural and overnight events, or as an invitee of a charterer of the ship;

3.4.5. in respect of any cruise on which you have travelled as a concession (a list of concessionary types may be obtained from us on request);

3.4.6. in respect of any nights gained or lost through travelling over the International Date Line during any cruise or a world cruise or segments of a world cruise;

3.4.7. in respect of any cruise holidays taken with any Carnival group companies other than P&O Cruises.

3.4.8. in any other circumstances that we may specify from time to time.

3.5. You will be able to view your cruise history and corresponding points earned after each completed cruise holiday with P&O Cruises at www.pocruises.com/myaccount. Should there be any discrepancies, you must notify us in writing or email us at loyalty@pocruises.com. While we will try to correct any errors with your cruise history and corresponding points, which are shown to our reasonable satisfaction to be wrong, unless there are clear records showing this, our decision is final and without liability to you. You may also update your personal information online at www.pocruises.com/myaccount

3.6. Points are personal to you. You may not transfer points to any other person. Points have no redeemable value in cash or any kind of benefit other than under these conditions.

3.7. We may occasionally award you bonus points or exchange points for specific offers at our discretion. We may deduct points given in error without any liability to you.

3.8. Points will only be used to determine your eligibility for benefits under the following membership tiers:

Pacific 150 - 500 points

Atlantic 501 - 1000 points

Mediterranean 1001 - 2000 points

Caribbean 2001 + points

Baltic 2501 points

plus 80 nights on board a P&O Cruises ship in the 3 years preceding the embarkation date of your next cruise. Membership of the Baltic tier is reviewed periodically and you must meet the above eligibility requirements each time that you cruise with P&O Cruises in order to remain in the Baltic tier. If you do not meet the eligibility criteria for a particular cruise then you will receive the Caribbean tier benefits.

Ligurian 2501 points

plus 201 nights or more on board a P&O Cruises ship in the 3 years preceding the embarkation date of your next cruise. Membership of the Ligurian tier is reviewed periodically and you must meet the above eligibility requirements each time that you cruise with P&O Cruises in order to remain in the Ligurian tier. If you do not meet the eligibility criteria for a particular cruise then you will receive the Baltic (where you meet the eligibility criteria for the Baltic tier) or the Caribbean tier benefits.

3.9. Points only determine benefits on P&O Cruises holidays. These benefits are not available on any of our nominated sister brands or other brands.

4. Benefits

4.1. We will publish a summary of the benefits available to members at www.pocruises.com/peninsular-club. This will be updated periodically.

4.2. All benefits are subject to availability and all benefits may be withdrawn or altered in our absolute discretion. Without limitation, we reserve the right to make exclusions or exceptions to the availability of benefits including the cancellation of events.

4.3. Benefits are personal to you and are not transferable. Only you may claim benefits to which you are entitled. You may not claim benefits for any other person, nor allow any other person to claim benefits on your behalf. On-board spend discounts may only be claimed using your own personal on-board account card (known as a "cruise card") under our cash-less system on board. Your cruise card will not be reissued if the tier shown is incorrect (although this will not affect the benefits to which you are entitled or the level of on-board spend discount that is applied to your on-board account) or if you move to another tier during a world cruise.

4.4. No benefit may be claimed retrospectively, i.e. by claiming a benefit that you were entitled to claim but which you did not claim at the time when you were entitled to do so. Please note that no refunds are given from the P&O Cruises Peninsular Club office in Southampton.

4.5. No benefits may be claimed in respect of nights spent on a ship for inaugural and overnight events, as an invitee of a charterer of the P&O Cruises ship or any cruise on which you have travelled as a concession (a list of concessionary types may be obtained from us on request).

4.6. The 10% discount on travel insurance is only applicable to the bespoke cruise insurance policy arranged by Holiday Extras Insurance for P&O Cruises. The discount is only available to members of the P&O Cruises Peninsular Club who qualify for the discount by virtue of their tier level and it cannot be extended to friends or family who do not qualify for the discount. The discount may be withdrawn or altered at any time, without notice. The discount is offered subject to any conditions that Holiday Extras Insurance may impose and subject to availability. For a copy of the policy wording or for more information, please call 0800 316 3061, quoting reference WC668 along with your membership number.

On a World Cruise or holidays that form a segment of a World Cruise, members will receive one of each of their entitled benefits for the total duration of their time on the cruise and not per sector. However, we do reserve the right to vary the frequency of these benefits at our discretion from time to time.

4.11. On cruises of seven nights or less duration, the cocktail party will not take place and there will not be a Caribbean Tier officer hosted dining experience or a Baltic and Ligurian Tier senior officer hosted dining experience.

4.12. Officer hosted events are subject to the availability of the officers. Not all tables can be hosted.

5. On-board spend discounts

5.1. The on-board spend discount for each tier is as follows:

On-board spend discount

Pacific	5%
Atlantic	7.5%
Mediterranean	8.5%
Caribbean, Baltic & Ligurian	10%

5.2. The on-board spend discount shall be applied to purchases net of any non-refundable on-board credit allocated to your on-board account and /or to all linked on-board accounts, where relevant (excluding shore excursions purchased pre-cruise). For example:

On-board spend £1000

Less on-board credit of £100	=	£900
Caribbean discount at 10%	=	£90
Amount to be paid	=	£810

5.3. Unless otherwise stated, an on-board spend discount will not apply to Government or Port agency fees, cashback charges, charitable donations, medical services and products, visa arrangements, gratuities, casino (including bingo), art sales, flight seat bookings, pre-paid items, Weddings at Sea, Renewal of Vows, Welcome on board and Bon Voyage packages, gift credits, any purchases during inaugural events, or when a P&O Cruises ship is chartered, except as decided by P&O Cruises from time to time.

5.4. On-board spend discounts are only applicable on cruises where the member is travelling/booked to travel. The discounts are not transferable and cannot be claimed on purchases made using another person's cruise card even if your on-board account is linked to that other person's.

5.5. Any claims for on-board spend discounts must be made when you receive your final folio on the morning of disembarkation.

Once you have disembarked, we will not accept liability for any errors or omissions in your on-board spend discount. Consequently, following disembarkation we will not make any reimbursements or refunds in respect of discounts that were not properly claimed on board.

5.6. If you purchase shore experiences prior to the start of your cruise the applicable on-board spend discount will be reflective of the tier that you are predicted to be in on the date of embarkation, not on the date of purchase. For a World Cruise if you purchase shore excursions prior to the start of your cruise the applicable on-board spend discount will be reflective of the tier that you are predicted to be in at the start of the sector in which the activity is taken and not the date of embarkation. Should there be any alterations to predicted tiers due to new or cancelled bookings we will not retrospectively charge for any increase a change in discount would have made or accept any liability for any reimbursements or refunds in respect of any change in on-board spend discounts.

Therefore, you should check that the correct level of discount is applied at the time of purchase and advise us immediately if you believe that the level of discount applied is not correct.

5.7. On a World Cruise, if you book shore excursions during any segment of your cruise, the total amount owed will be charged to your on-board account at the point the booking is taken regardless of the segment in which the excursion is to be taken. The discount applied at the end of your cruise or settlement point, will reflect the tier that you were in at the time of booking the excursion.

5.8. On-board purchases are governed by our standard terms and conditions contained in our brochures.

5.9. The laundry discount shall be applied after any non-refundable on-board credit allocated to your on-board account and/or to all linked on-board accounts has been spent.
