Meet our fabulous fleet

As well as all of the destinations, you've seven stunning ships to choose from. Find your perfect match...

Arvia

Iona

Britannia

Ventura

Azura

Arcadia

Aurora

Arvia

A sunshine adventure

Our sunshine ship is perfect if it's your first cruise holiday. Brimming with brand-new features and innovation, there's plenty to explore. Whether you're trying her high-ropes adventure, swimming beneath the retractable SkyDome roof or sitting down to waffles and chicken in 6th Street Diner, you'll be bowled over by the variety on board. Why not join her in the Caribbean or Med?

Azura

A social paradise at sea

Also host to a whole load of family fun, Azura has something for everyone to enjoy. Think around-the-clock entertainment, dipping your toes into your choice of four swimming pools and endless activities to spark children's creativity in The Reef... You could even get cosy underneath the night sky and catch a movie at the open-air cinema SeaScreen.

Iona

Innovation meets exploration

New to P&O Cruises? Iona is a great choice to discover what a holiday with us is all about. The epitome of chic, Iona boasts a three-tier glass Grand Atrium offering panoramic views, beautiful backdrops for your swim in the Infinity Pool and 30 places to wine and dine. She's the dream ship to experience the Norwegian Fjords with.

Arcadia

The indulgent explorer

A firm favourite with some of our long-returning guests, mid-sized Arcadia offers timeless style. From the art deco domed roof of the atrium and the glass-fronted lift to her sleek bars and opulent spa, Arcadia's a worthy home for the epic World Cruises.

Britannia

Contemporary glamour

Celebrating 10 years as part of the fleet, Britannia's a firm favourite, especially among families. She's sure to take your breath away the moment you step on board and into her atrium. Sip a glass of fizz underneath her Star Burst sculpture, browse Market Café and grab a sweet treat or visit the ELEMIS pop-up for a spot of relaxation – the choice is yours.

Aurora

An intimate classic

Our smallest ship Aurora is a big hit with guests who return year after year for her cosy comfort. She's a stylish lady with her towering 35-foot sculpture in her atrium and artworks adding detail to each venue. The tiered decks shaping the Terrace Pool add a beautiful backdrop to your sunbathing. And if the weather doesn't play ball, Crystal Pool's retractable roof comes to the rescue.

Ventura

The fun all-rounder

Perfect for families, Ventura has so much to enjoy. Kids (and big kids) love her video game arcade; the sports arena keeps everyone happy (competitive streaks aside!) with football, basketball, tennis and archery; and the comedy and quiz nights in Havana and The Tamarind Club are fun for all the family.

For more details on each ship's venues, facilities, and more, please see pages 130-131.

Precious family time, treasured holidays

Theatre shows, delicious dining, sensational
entertainment, parties, games, discos and more

We know how important family time is. That's why our family-friendly ships have every key ingredient you need for a top family holiday. We'll help you create effortless, extraordinary memories together to last a lifetime. From tots to teens there's something for all ages.

During school holidays we really ramp up the fun for our younger guests. Our exclusive partnership with Aardman brings Wallace & Gromit and Shaun the Sheep on board for cracking special appearances and themed events. If you're all in the mood for a spectacle, you can catch amazing science shows and animated performances from The Animal Guyz in the theatre.

The whole family can get involved with Ocean Performance Academy activities. One minute you're by the pool, the next you're making magic in a unicorn workshop, saving the day in superhero school, singing your hearts out at karaoke or becoming the star attraction with your new circus skills. It's all in a day with P&O Cruises.

To fuel all this fun, tiny tummies and bigger appetites are in for a lip-smacking treat with new delicious children's menus for our Freedom and Club restaurants, created by Annabel Karmel MBE, bestselling children's cookery author and global food expert.

Oh, and did we mention we have a children's club? The Reef is split into age groups: The Nursery (under 2) and Night Nursery (4 and under), Splashers (2-4), Surfers (5-8), Scubas (9-12) and H2O or Scene (13-17). There's a superb choice of things to do for all ages.

Registration is required for The Reef. Access to the children's club for ages 2-12 is bookable on board through My Holiday. Teenagers do not require a booking, and access to their area is on a first come, first served basis. During certain periods of the year it may be necessary for the age groups to be merged. Additional prices may apply to some items featured. Activities shown on these pages provide a highlight of what's in store but will not be available on every ship or cruise.

In our Freedom and Club restaurants, you can explore flavours from around the world and enjoy favourites from back home, all included on your cruise.

Adding to the holiday atmosphere on board, we like to celebrate as we sail out of home port and other destinations. These Sail Away events are a wonderful chance to enjoy varied entertainment, mingle and make new friends.

Sail or soar

Start your holiday as soon as you step on board in Southampton or fly straight to your ship in the sunshine – it's up to you

Set sail from Southampton

The beauty of a cruise holiday is the effortless travel. You hand your bags over at the terminal in Southampton, go through security and that's it: your holiday's begun. No lugging bags, they'll meet you at your cabin. You're simply free to start your holiday. Maybe you want to go straight for a dip in the pool? Or order a drink as "it's 5 o'clock somewhere"?

Cruising's also perfect for people who don't like flying. From Southampton, you can explore the cities of Europe, the capitals of Scandinavia, the Norwegian Fjords, the Canary Islands, the Mediterranean coastlines, the Caribbean and North America – not to mention the myriad of destinations on our World Cruises. And you get to travel in style. With us, the journey's just as important as the destination.

We also offer limitless luggage. When you cruise from Southampton, you're free to bring as much as you'd like (although we do have laundry facilities on board too!).

What do 'cruise in' and 'transit' mean?

When your itinerary shows 'Cruise in', these highlights are often magical moments that play a big part in your holiday. A day with a 'Cruise in' means you can watch the world go by as your ship silently slips through the still waters of the Norwegian Fjords. You may 'transit' the Panama Canal and in other iconic locations 'cruise by' or even 'sail by' or 'sail through': these are ideal times for you to have a drink in hand or be running on the treadmill with an extra-special view dreamily drifting by.

Fly-cruise holidays

There are plenty of benefits to fly-cruise holidays. A fly-cruise is that fast forward to the sunshine. You can jet to Barbados, touch down in Tenerife or even go further afield to places like Australia or Singapore. And when you land, your ship will be waiting, saving you the sea days and giving you more time to explore.

We make it easy. Your flights and transfers are included in your holiday price and we have representatives on hand at the airport.

Plus on selected Caribbean charter flights, we also take care of your luggage. From the moment you check your bags in at your UK airport, you don't have to think of them again. You'll next see them waiting at your cabin on your ship. We take care of everything so that you can travel from plane to transfer to ship hands-free.

We also offer regional flights. We know London isn't convenient for everyone, which is why we offer flights from airports around the UK on selected holidays. Perfect for making your holiday even more effortless.

Short Breaks

Little holidays with a lasting impression

It's amazing what a few days away can do. Slip across the channel to windmills and medieval streets with chocolate treats in traditional shops and canal-side bars serving craft beers and local cheer.

Our Short Breaks top five

Sit back, relax and enjoy your 'Ticket to Ride' as you follow on the trail of The Beatles in Hamburg. Have your camera at the ready as you pass by many of the city's highlights on your way to the Indra Club, which is where the band played their first concert as 'The Beatles.' After all the exploring, you'll stop off for a bite to eat and maybe a German beer.

Fancy becoming a Dutch cheese and wine connoisseur in Amsterdam? On a guided walk through the city you'll learn about many famous sights, before settling in for a palate-tingling tasting session at the Old Amsterdam Cheese Store. Here, you'll savour five varieties of delicious Dutch cheese, each paired with a different wine.

Take a trip to Bruges (from Zeebrugge) and explore the fairytale town with winding cobbled streets, tree-lined canals and medieval architecture. You could climb the Belfry Tower for panoramic views, then reward yourself with a traditional Belgian waffle (topped with Belgian chocolate, of course) as you take in the atmospheric market square.

If you want to do something unique in Hamburg, head to Miniatur Wunderland. This vast and incredible model railway exhibition isn't like any model train set you've seen before. Explore detailed themed worlds with moving cars, planes, ships and even wildlife – including the largest miniature airport in the world.

Discover Cherbourg's Cité de la Mer with 17 aquariums, a Titanic museum and its own nuclear submarine or hit the shops to stock up on cheese, cider and calvados brandy made from Normandy apples or pears. You'll find superb seafood platters in the Old Town. On a longer day ashore, you've time to visit D-Day landing beaches or the monastery of the Mont-Saint-Michel.

Explore even more...

With overnight stays in Amsterdam on selected holidays, you can do so much throughout the day and evening. But with its labyrinth of streets and canals, and thousands of bars scattered across the city, how will you know where to go? That's where a local guide comes in. You'll meander the narrow streets, passing some of the city's highlights like the Portuguese synagogue, Hermitage Museum, Rembrandt Square and the opera house. You can also discover the interesting history of the Skinny Bridge and Blue Bridge and hear how Amsterdam's dazzling Canal Ring came to be. Of course, seeing the sights is thirsty work, so along the way you'll visit a traditional café to taste locally brewed beers.

Northern European City Escapes

Characterful cities closer to home

Exploring fascinating cities and immersing yourself in whole new cultures has never been easier. Marvel at Hamburg's mighty UNESCO-listed Speicherstadt, try (and maybe buy!) delicious local delicacies from Rotterdam's Markthal, and wind your way through beautiful Bruges.

Our Northern European City Escapes top five

Dive into a fairy-tale-inspired world at Efteling Theme Park from Rotterdam. Whether you escape dragons and ghosts on thrilling rollercoasters, make a splash on the rapids or be captivated by the stunning Aquanura water show, Efteling packs in a whirlwind of excitement for the whole family.

Board the mystical yellow bus in Rotterdam, where all is not as it seems... As you leave the pier, your bus will change from a vehicle with wheels to a yellow boat, driving straight into the river. Enjoy a leisurely cruise framed by stunning views of the skyline and harbour, plus the SS Rotterdam, Hotel New York and Erasmus Bridge.

From your port of Zeebrugge, take a trip to the Flemish city of Ghent, where your guide will take you on a walking tour of the medieval old town. Feel like you've stepped back in time as you wander along narrow cobbled streets past gabled houses, gothic cathedrals and the iconic Belfry Tower.

The words 'Belgian' and 'chocolate' go together like 'sweet' and 'tooth'. On a trip to beautiful Bruges, from Zeebrugge, you can make your very own delicious Belgian chocolate. Get hands on as you learn from a local professional how to make sweet treats for the folks back home (if you don't eat them first!).

Experience Hamburg's highlights on a panoramic tour. You'll take in sights like the majestic Town Hall, the red-bricked Speicherstadt (the world's largest warehouse district), the Jungfernstieg (a luxury shopping area) and the world-famous Reeperbahn – an area nicknamed as 'the mile of sin' due to its associations with the red light district.

Explore even more...

With an overnight stay in Rotterdam on selected cruises, you've got plenty of time to explore. You can marvel at the seemingly gravity-defying Cube Houses (a Rotterdam landmark) and even step into the 'Show Cube' to get a feel for life on the edge. Perhaps you'll choose to taste your way through Markthal, a mural-adorned food hall with global flavours. Or wander Witte de Withstraat with bars, restaurants, cafés and art galleries.

You could also take the train to Amsterdam in 40 minutes. Home to many attractions, you might visit the Van Gogh museum, Anne Frank house, Royal Palace, floating flower market... the options are endless! Maybe a walking tour is the best way to get a feel for the landmarks and soak up the city scenery?

Our British Isles top five

The wild landscape of the Giant's Causeway (visited from Belfast) is one of the UK's greatest natural wonders. But were the world-famous basalt columns created in an ancient volcanic eruption? Or did they play a part in a fight between Irish giant Finn McCool and his Scottish rival across the water?

Though not far from mainland Scotland you'll feel worlds away in the thousand-year-old Norse town of Kirkwall, Orkney's capital. You can explore castles, Viking carvings and cobbled wynds (narrow lanes). Inland from staggering cliffs and thriving seal colonies, you can try a wee dram of local whisky and feast on fresh seafood.

How about exploring the most northerly town in Britain: Lerwick, capital of the Shetland Islands? With a 5,000-year-old history steeped in legends and myths, the town is full of character. You'll also visit an ancient castle and museum before the chance to meet Shetland's most famous residents, the Shetland ponies.

If the USA and Canada is on your list of must-see destinations, our holidays are perfect for you. You can look up at the epic skyscrapers that stand tall in the skylines, uncover the history of the classic architecture and stumble on picturesque spots along the rugged coast.

Our USA & Canada top five

Dive into the Big Apple on an incredible trip to take in all those famous sights you've seen in the movies. You'll drive past the Rockefeller Center, Times Square, the Empire State Building and the vast Central Park. And have your camera ready at The Battery, where you'll see that quintessential symbol of New York: the Statue of Liberty.

Explore Halifax's highlights with a breezy hop on, hop off experience. Join your bus to take in the sights, such as the Halifax Citadel, Public Gardens and Province House, as well as great shopping destinations such as Spring Garden Road. There's so much of the city to see – where you hop off to enjoy is entirely up to you!

From Charlottetown, head to the Raspberry Point Oyster Co. to learn all about the yummy molluscs that are farmed there. Watch the fishers pulling Malpeque oysters – renowned for their incredible flavour – from the cold waters and have a go at shucking them before you taste the fresh treats inside. Delicious!

What better way to explore American history than on Boston's famous 'Freedom Trail'? Passing 16 historical locations, each one a national treasure, this 4-kilometre walk will take you from downtown Boston, crossing through the North End, before finishing at the famous Bunker Hill monument in Charlestown.

How about a kayaking adventure past towering mountain cliffs on the stunning Saguenay Fjord? From the Saguenay National Park, an area of outstanding beauty, you'll be given a safety briefing before setting off along Cape Trinity. From the tranquil waters, you'll admire the dramatic coastline as you paddle your way along the breathtaking fjord.

Explore even more...

On selected holidays, you get two full days to explore Quebec so we thought we'd give you some ideas... Why don't you kick things off with a walking tour taking in the highlights of the city? You'll see Battlefields Park, the Dufferin Terrace, Château Frontenac, Place-Royale, Cap Diamant, Grande-Allée and the old Citadel, part of the UNESCO World Heritage site. A great way to get a feel for the charm of the city.

And with an evening in town, how about an authentic night at the Sugar Shack? This traditional log cabin brings you an unforgettable evening of Quebecois food; live French Canadian folkloric music, song and dance; and hot maple taffy poured over snow. You'll be blending in with the locals before you know it.

The World Cruise

The trip of a lifetime

It's said the world's a book and those who don't travel see only the first page. On a World Cruise with us, you'll be writing a whole new chapter where you're the main character in so many unmissable settings.

World Cruise top five

You know you're on a World Cruise when Sydney's Opera House comes into view. Why not embark upon the exhilarating climb to the top of Sydney Harbour Bridge? Your guide will lead you in a small group up the eastern arch to the 134-metre summit, where you'll be rewarded with a magnificent view of the harbour and its iconic Opera House.

St Vincent in the Cape Verde Islands is vibrant with Portuguese and British colonial influences. If you've been to Lisbon, you might recognise the Belém Tower replica. Enjoy volcanic views, busy markets and traditional folk music. In the warm water off white sand beaches, world-class snorkelling is all yours.

Take in a host of amazing sights in a day of exploration from Cape Town. You'll enjoy breathtaking views from the summit of Table Mountain and the top of Cape Point, which overlooks towering cliffs and two great oceans. Keen to meet some 'locals'? Visit the African penguin colony at Boulders Beach to see the cute creatures in the wild.

Take exploration to new heights with a visit to Rotorua from Tauranga. Your Maori guide will take you on a journey through Te Puia Thermal Reserve, passing bubbling mud pools, natural springs and sprouting geysers, before a leisurely ride up Mount Ngongotaha. At the summit, enjoy the stunning panoramic views and a delicious buffet lunch too!

Embark on a memorable journey to the stunning island of Ile-aux-Cerfs in Mauritius. Travelling across the glimmering waters, the 'mini Eden of Mauritius' will be waiting for you (as will a fruity cocktail!). With 3½ hours of free time, you can soak in the sun, swim in the lagoon or explore everything the island has to offer.

Explore even more...

With overnight stays in San Francisco, Sydney, Hong Kong, Los Angeles or Honolulu on selected holidays, you'll have the chance to see these exciting destinations in a new light when the sun goes down. In Hong Kong, why not enjoy a glide in a Chinese-style boat across the city's glittering Victoria Harbour and soak up the Symphony of Lights? Or how about a night at the opera in the iconic Sydney Opera House? In Los Angeles and Honolulu you could soak up vibrant nightlife, while in San Francisco enjoy an evening trying local seafood at the city's historic Fisherman's Wharf waterfront.

Pairing chic design with more than a hint of extravagance, she's an excellent choice for a longer cruise. One of her stand-out features is her opulent spa. high-tech gym, where you can enjoy sweeping ocean views as you work out.

Her speciality restaurants include Marco Pierre White's Ocean Grill – a seafood and steak restaurant exclusive to Arcadia. Sustainability at P&O Cruises

Taking steps to look after the world we love

At P&O Cruises, and with our parent company Carnival Corporation & plc, we're taking action to reduce our impact on the environment and invest in our communities and people to deliver positive change – not just for today, but for the long term. Our sustainability agenda aligns with elements of the United Nations Sustainable Development Goals and is built around five key focus areas.

Focused on the environment

Climate action

We support the adaptation of alternative fuels and are testing new technologies as they become available. We are investing in new low carbon or zero-carbon

emission technologies, developing and installing advanced air quality systems and partnering with organisations and stakeholders to support our decarbonisation efforts.

Circular economy

As the world shifts towards a circular economy model where materials flow around a 'closed loop' system, we're shifting how we work with our supply chain partners to reduce waste.

Partnering with our destinations and communities

Sustainable tourism

As we travel the world, we have the privilege to explore many cultures and environments. It is our collective responsibility to respect and help them maintain their culture, history and natural resources.

Biodiversity and conservation

Our efforts are focused on taking responsibility to minimise our impact by implementing best practice across our operations, building partnerships with experts, and investing in programmes to support biodiversity and conservation.

Investing in people

Inclusion and belonging

Our employees are at the heart of our operation, and we've built well-being programmes to support their physical and mental health, encourage social connectivity with family and friends and promote a balanced lifestyle.

Our success depends on the diversity, talent and dedication of our global employee base. We strive to provide an inclusive and supportive work environment with equal opportunities for professional growth throughout their career path.

Further information At P&O Cruises, and with our parent company Carnival Corporation & plc, we have established a number of 2030 sustainability goals and 2050 aspirations. For more information please visit: pocruises.com/sustainability and carnivalsustainability.com
